Creative Community Resources presents Bayside Summer Adventure, outdoor camp programs run at, but not affiliated with Sandy Point State Park. From the park setting, to the dedicated staff, to the exciting array of activities, this truly will be a summer adventure. Your child can participate in a variety of outdoor, recreational & educational experiences designed for all ages & abilities. Unlike many day camps, your child will have a choice as to how they wish to spend their week at camp. Some activity choice examples include: fishing, lacrosse, rollerblading, canoeing, swimming, crabbing, dance, science, arts & crafts, football, painting, cheerleading, micro biking and more! Campers are grouped by activity choice rather than by age. We offer a variety of innovative day camp programs for ages 5-15 including specialty, trip & teen camps as well as a teen leadership program.
