Bayside Summer Adventure

...a summer to remember

Creative Community Resources Inc. offers Bayside Summer Adventure. Combine the park settings, the dedicated staff, the exciting array of activities and you have the ingredients for a true summer adventure. Your child will participate in a variety of outdoor, recreational & educational experiences designed for all ages & abilities.

Unlike many day camps, Camp White Tail and Camp Ultimate place campers based on their interests and grouped by activity choice rather than by age. Your child has a choice as to how they wish to spend their week at camp.

We offer a variety of innovative day camp programs for ages 3 – 15. Our popular Camp White Tail (ages 5-8) and Camp Ultimate(ages 8-13) at Sandy Point will be joined by The Little Camp(ages 4-6). Our two Trip Camps (ages 9-15)include two overnights each week & will have campers whisking down a mountain, splashing in the ocean or a variety of other great activities. Older teens (14 – 16) can sign up for our leadership program. For the youngest camper (3-5), our TALS Early Childhood Program will offer two weeks of a half day program in Annapolis! Have your child join us for a truly memorable summer!
