

TALS Summer Registration Agreement

I, _____ & _____ understand that we are to drop off
Mother's Name Father's Name
_____ @ 9:15am and pick him/her up @ 12:15pm Monday through Friday
Child's Name

during the desired week(s) per my registration request.

TALS will provide an optional snack daily which children can choose or not choose to partake in.

Change of Clothes

All children need to come daily with a complete change of clothing, appropriate for the season. Please send an extra complete outfit including undergarments, outerwear & appropriate shoes.

Sickness Policy

The TALS program is prohibited from accepting a child (State regulations 12A.14.01) who exhibits symptoms of acute illness. Under such circumstances, the parent will notify TALS of the child's illness and make other arrangements. If such symptoms should arise while the child is in attendance, the parent will be notified immediately so that arrangements can be made for the child to be picked up by the parent or other authorized person.

Medication Policy

State regulations also prevent the TALS program from administering prescription or non-prescription medication without prior written parental authorization. Parental authorization is granted by a separate medication order form (see enclosed). Prescription medication must be in the original container labeled by the pharmacy or physician with the child's name, expiration date, directions for use and physician's name. At least one dose of a prescription medicine must have been given to the child at home.

Toileting & Bathroom Accidents

Children must be potty trained in order to attend the M-F Summer program. TALS does not permit diapers or "pull-ups" trainer pants, and children are expected to wear regular undergarments while attending. There are times when a child of any age will have a bathroom accident, and this is normal. We will call home if your child becomes overly upset about an accident, or if there is more than one accident during the day. We suggest you send an extra set of clothing so we have them for these times. We will put the child's first set of garments in a baggie and send them home with him/her.

Withdrawal/Cancellation

If withdrawal from the program becomes necessary, regrettably a refund will not be issued unless a doctor's note is provided.
